

Daisy Camp Biography

Jennifer Morris – Founder

Jennifer Morris was raised in Excelsior, Minnesota and currently resides in Eden Prairie, Minnesota. For the past two years, Jennifer has worked as a real estate agent for Edina Realty. For 12 years, prior, she worked in marketing and event coordination.

Jennifer gained inspiration to create and launch the original Daisy Camp weekend retreat in late March of 2006, from the experience she went through in finalizing her divorce. Thrilled with the outpouring of support from her initial retreat, her entrepreneurial spirit has inspired her to create mini-camp workshops and two additional weekend retreats for men and women that are going through divorce transition.

Jennifer is an active volunteer and has given considerable time to the Eden Prairie Women of Today, Chanhassen Rotary, The Courage Center, League of Women Voters, and Race for a Cure. She has held committee positions on Big Brother and Big Sister of the Twin Cities during fundraising events and has served on the Board of Directors of the Shakopee Convention and Visitors Bureau.
